1983 FORD MUSTANG GT

**THE BOSS:
ONE HOT PIECE
OF AMERICAN
STEEL.**

Mustang GT for 1983.

It begins in a river of red-hot steel.

It's cast and crafted and bolted together to be the Boss. This year, the 5.0 liter High Output engine has a new four-barrel carburetor for even more muscle. 175 horsepower. It's sprung with a performance suspension and packs 247 lb.-ft. of torque @ 2400 rpm* and a four-speed transmission.

It comes complete with a real bad attitude about being anything but the Boss...

Mustang GT for 1983. It's one hot piece of American steel. Get it together. Buckle up.

*Net torque and horsepower as measured by SAE standard J1349.

HAVE YOU DRIVEN A FORD...LATELY?

FORD DIVISION

AIM HIGH

Before you work anywhere, take a look at the tools we work with.

NASA's space shuttle. For Air Force scientists and engineers the challenge is just beginning. In fact, from laboratories to lasers to launch pads, we have exciting projects and management opportunities very few employers can offer.

For example, Air Force scientists are developing experiments that will be an important part of the space shuttle's cargo in the years to come. Experienced Air Force engineers will work as shuttle mission planners and as astronaut flight controllers.

If you have a technical degree with a science or math background, we may have a challenging future for you at the leading edge of technology. It's a future that demands the vision and commitment of people like you. And it's vital to our country.

For more information about Air Force science and engineering opportunities, mail the card. Or call our toll-free Engineer Hotline 1-800-531-5826 (in Texas 1-800-292-5366). Better yet, send your resume to HRS/RSAANE, Randolph AFB, TX 78150. There's no obligation.

SELECTING A SCIENTIFIC CALCULATOR MADE DIFFICULT.

EL-512. Formula reserve and decimal/hexadecimal system conversion. Stores up to 128 program steps. \$44.95*.

EL-515. Solar-powered. Batteries never required. 50 scientific and statistical functions. \$39.95*.

EL-506H. Highly-featured scientific with 48 scientific functions and scientific notation. Auto power-off. \$29.95*.

EL-5103. Wallet-size programmable with dot-matrix alphanumeric rolling display. 6 data memories. Memory safeguard. \$59.95*.

EL-509A. Wallet-sized, with 32 scientific functions plus built-in statistical functions. Auto power-off. \$24.95*.

EL-5100. Direct-formula entry. Stores up to 80 program steps. 10 data memories. \$89.95*.

Sharp has so many scientific functions to offer in its line of scientific calculators, that while we may make it a little difficult for you to decide which one you want, you can hardly go wrong no matter which one you choose.

You can get a Sharp scientific with 32 functions. You can get them all the way up to 61. You can even get one that stores up to 128 program steps and displays the equation with its familiar mathematical symbols, instead of a complex computer code.

A glance at the calculators shown

above will tell you all you need to know. If our 50-function EL-515 is too much, think about getting our EL-508A† with its 32 scientific functions. Or how about our 46-function EL-550† scientific printer?

While Sharp offers you such a wide range of calculators that you have to think twice about which one is perfect for you, we make it easier for you in another way: no matter what department, field or course you're in, and no matter how abstruse the subject matter, you'll find the scientific calculator you need on this page.

Fourth in a series
on how Delco
Electronics and Bose tech-
nology contribute to your
enjoyment of driving.

"...you have to hear it to believe it!"

Popular Mechanics

"A new and revolutionary sound system has been developed by the most unlikely partnership ever to be created in the audio industry... General Motors... has teamed up with Bose Corporation to create a car stereo system that is so far ahead of anything currently available in car audio that audio enthusiasts who can afford it may well be spending more time listening to music in their cars than they do at home."

Len Feldman, Audio Times

"The performance of the Delco-GM/Bose Music System was astounding... I can't imagine anyone... buying (one of these cars) without the Music System."

Gary Stock, High Fidelity

"If your car is this well equipped, you won't want to go home again."

Rich Warren, Chicago Magazine

The Delco-GM/Bose Music System is available as a factory installed option on Cadillac Seville and Eldorado, Buick Riviera, and Oldsmobile Toronado.

Sound so real it will change
how you feel about driving.

THE SALES PROS AT FOOT LOCKER. EXPERTS EVEN THE EXPERTS LOOK UP TO.

"When I play basketball I know the right shoes to put on my feet. But now I'm into other sports, too. So I came to Foot Locker because only Foot Locker has all the top name sport shoes for most every sport in all styles and sizes.

"What I found out is that the Foot Locker salesmen—the guys in the striped shirts—know sports and sports shoes like I know basketball and basketball shoes. And that's saying something. Real pros, those guys!"

REVISED ACADEMIC POLICY

Prior Approval of Transfer Credit

After enrollment as regular undergraduates at Memphis State University, the students should obtain prior approval from the dean of the college from which they are to graduate before taking a course at another institution for the purpose of meeting degree requirements at Memphis State University. The student who intends to take a course at another institution should consult with the Transfer Affairs Section of the Admissions Office, Room 215, Administration Building, 454-2111, and obtain forms for use in securing the dean's approval. Courses taken without prior approval are subject to possible disapproval when they are presented for evaluation at Memphis State.

CONTINUING EDUCATION INTENSIVE ENGLISH FOR INTERNATIONALS

The Intensive English for Internationals program provides language instruction for non-English speakers in Memphis, in the surrounding area and from abroad. Students attend classes grouped by ability level and receive a certificate of attendance upon successful completion of study. The program is offered year-round on a semester basis coinciding with the University's calendar and features an 8-week summer session. All classes are taught by professionally trained staff members. All courses are non-credit. Four options are available for the 1983 summer session: Intensive English with twenty-three hours a week instruction, Semi-intensive English with fifteen hours a week instruction, evening classes four hours a week, and TOEFL preparation classes also taught in the evening.

Registration and testing for the Intensive and Semi-intensive courses will be held on May 30 or by appointment before that date. In addition to classes listed above, others designed to meet special needs may be arranged. To register for any course or for more information, contact Dr. Nancy Sherman, Intensive English for Internationals Program, Dunn Building (Math & Foreign Languages), Room 310, (901) 454-2813.

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF G.I. BILL BENEFITS.

Any student using VA Educational Assistance (G.I. Bill Benefits) at Memphis State University should contact the Office of Veteran's Services (Room 212, Scates Hall, 454-2996). New students should be prepared to furnish the following items as needed: an original or VA certified copy of their DD 214, or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veterans educational benefits. Some of these restrictions include: regular class attendance, satisfactory academic progress, and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (This includes transfer credit.), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders:

- (1) Register with the Office of Veterans Services every semester by completing a Veteran Data Sheet and Certification Request.
- (2) Report credit allowed for prior training in cooperation with your adviser by completing a "Request for Reevaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.
- (3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
- (4) After registering report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, cancelled courses, and withdrawals.
- (5) Obtain a degree posting sheet/formal degree plan from your adviser, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

ADMISSIONS PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after May 2 cannot be assured of registration before the first day of classes. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to that date. Anyone failing to do so cannot be assured of being considered for admission.

New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration Building. After 4:30 p.m. and on Saturday mornings, these may be obtained in Room 167, Administration Building, or by telephoning 454-2398.

Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Undergraduate or graduate former students desiring to be readmitted may obtain an application for readmission from Room 167, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students who must be properly admitted to graduate school as new students.

Graduate students who have not attended Memphis State in the past 5 years or longer must apply for readmission at least 3 days prior to Graduate Registration in order to complete registration on time.

Transferring Credit to MSU

In order for completed additional course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, it is recommended that he consult with his adviser or the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University.

Residency Classification

All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the State Board of Regents. Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the office of the Admissions Adviser for Residency.

Persons 60 Years of Age and Totally Disabled Persons

Persons suffering from a permanent disability which totally incapacitates such person from working at an occupation which brings him an income, and persons who will become sixty (60) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may AUDIT courses at Memphis State without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to AUDIT will be limited on an individual classroom basis according to space availability.

Any person who is totally disabled, and persons who will become sixty-five (65) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may enroll for courses for credit at the cost of \$17.50 per undergraduate semester hour, or \$24 per graduate semester hour, not to exceed \$75 per semester. The University Health Services shall examine certification of permanent disability (not the applicant) and determine the eligibility of the applicant under this legislation.

Inquiries concerning these programs may be addressed to the Records Office, Administration Building, Room 115, or telephone 454-2671.

REGISTRATION PROCEDURES

Registration dates for the three terms of the 1983 summer are found in the Registration and Summer Sessions Calendar. Specific details of these registrations are as follows:

First Summer and Extended Terms: Students must register on May 31 or June 1 for courses offered during the First and Extended Terms. Students may also register on these dates for courses offered during the Second Summer Term. The time on the "Registration Appointment Card" must be used for this registration. The specific dates for adding and dropping courses are in the Registration and Summer Sessions Calendar.

Second Summer Term: Students who have not previously enrolled for Second Term courses may do so on July 11. Students are also permitted on this date to add and drop Second Term courses for which they have previously enrolled. A special "Add/Drop Appointment Card" is sent prior to the Second Term registration to all students who have previously registered for courses.

NOTE: Students registered for the First Term do not register for the Second Term. They add courses with a "Change of Course" application.

IMPORTANT:

1. Read carefully all instructions found in your registration materials.
2. Registration on May 31 or June 1 will insure class space in the course being taught in the Second Summer Term.
3. Students registered for the First Term or Extended Term **do not register again** for the Second Term. They add courses with a "Change of Course" application.

Students who do not register on May 31 or June 1, but who wish to register for Second Summer Term courses must report at the times indicated on the card accompanying the registration materials.

A \$5 add/drop charge is not charged on course changes processed on July 11. The charge will apply to adds/drops processed at any other time during the scheduled add/drop period. Students who fail to register during the regular registration periods may do so during the late registration periods. A \$10 late registration fee is charged.

(1) CONSULTING WITH ACADEMIC ADVISER

Current Students

Current Memphis State University students are encouraged to see their academic advisers well in advance of registration, preferably during the preceding term when ample time can be given for general academic advising including assistance in selection of courses for the ensuing term. This is not always possible for new and returning students and for some current students. However, all students are required to have a class schedule with an adviser's signature prior to entering the registration center.

To find where an adviser will be located for assistance in class scheduling, go to the Packet Center located in the Old Cafeteria of Jones Hall, when it is open, and in the Late Registration Center, during the late registration period. Please consult the registration calendar for dates and times these Centers will be open.

During late registration academic advising occurs in the academic department, where faculty advisers are generally available except when they are teaching. Assistance in locating an adviser can be obtained in the Department Offices or in the Late Registration Center.

Handicapped Students

Preferential scheduling is offered to some disabled students to allow them reasonable opportunity to plan around disability-related needs. Students eligible for this service include those with mobility impairments, visual or hearing impairments, dyslexia and others who must accommodate medical or educational needs arising from a disability. Attendants for handicapped students are also eligible.

Preferential scheduling is begun prior to regular registration. Students using this procedure should see their adviser, fully complete the "Student Schedule" form and take it to the Handicapped Student Service Office well in advance of the beginning of registration. The desired class cards will be pulled before registration opens and will be held on reserve in the Records Referral Center at registration.

Handicapped students may go through registration at any convenient time after the appointment time assigned in the registration packet. After being cleared to register, they should proceed directly to the Records Referral Center and pick up their envelope of reserved cards. From there they must proceed through the regular line to complete registration.

If a student for whom cards are pulled in advance should for any reason decide not to complete registration, notification must be given to the Handicapped Student Service Office so that the reserved cards may be returned to the departments for use by others.

All reserved cards that are not picked up during regular registration will be transferred to the Referral Desk at late registration. Handicapped students may ask for a waiver of late fee on the basis of handicap if their cards were reserved in advance. However, students who can go through regular registration are encouraged to do so rather than going through late registration.

For further information and specific details, please contact the Director of Handicapped Student Services, 215 Scates Hall, or call 454-2880.

New and Readmitted Students (Undergraduate)

All new freshmen students and transfer students without an academic major will be assigned to the Academic Counseling Unit, located in Scates Hall, and should go to the unit immediately after admission to the University to request the assignment of an adviser. Students who have not seen an adviser will be assigned one.

Students who have been readmitted and have selected a major should contact the department of their major for the assignment of an adviser. Readmitted students without a declared major should go to the Academic Counseling Unit. This should be done in advance of the first day of registration.

Evening (Undergraduate)

New and Readmitted Undergraduate students enrolling in evening and/or Saturday courses only may obtain the required registration and advising information in the Evening Academic Services Office, Room 167, Administration Building.

Unclassified, Special Undergraduate, and Audit Students

Undergraduate students who are unclassified, special undergraduate, or audit go to the Academic Counseling Unit, Scates Hall. Evening students in these categories go to the Evening Academic Services Office, Room 167, Administration Building for advising assistance.

New and Readmitted Students (Graduate) — Day & Evening

New graduate students are directed to an adviser following their admission. Students classified as Graduate Special or Graduate Provisional, should go to the Graduate School Office, Room 315, Administration Building for an adviser.

Readmitted graduate students having a major should contact the department of their major for the assignment of an adviser. Readmitted graduate students not having a major should contact the Graduate School Office for an adviser.

(2) OBTAINING REGISTRATION MATERIALS

The registration packet consists of four basic materials: (1) "Student Information Form," (2) "Registration Appointment Card," (3) "Registration Receipt," and (4) a permanent ID card.

Current Students

Registration materials are mailed to the permanent address of all regular students currently enrolled, with the exception of those suspended for academic reasons, those who are on academic probation, and those who have holds placed on their packets by a University office. When a hold is released, the student is given a release card which tells where and when to secure his packet.

New and Readmitted Students

New and readmitted students who have cleared all admission requirements at the time registration materials are prepared, receive their materials by mail. Students not clearing in time to receive their materials by mail are given a chance to obtain materials before the actual day of registration and receive instructions on how to accomplish this.

(3) SECURING CLASS CARDS

Students having their "Student Schedule," permanent ID card, and registration materials, are prepared to enter the Registration Center to obtain class cards and to pay fees.

Registration appointment times — Enter the Registration Center on the date and time printed in the upper right hand corner of the "Registration Appointment Card." Registration priority is based on cumulative hours earned. The student may enter at any later day time after his day appointment time or at any later night time after his night appointment time.

REGISTRATION PRIORITY

Since all students cannot register at the same time, it is necessary to establish priorities in the assignment of registration times. Registration priority and the registration appointment times appearing on registration materials are based on the number of cumulative hours earned.

Registration materials must be prepared before the end of the term that immediately precedes registration. **Appointment times do not reflect hours earned during the current term.** For example, registration times for the spring semester are not affected by hours earned during the fall semester.

Registration priority and associated registration appointment times cannot be based on the need to work because such a large number of students do work. No practical or equitable way exists to administer a priority system on the criterion of a student having to work.

Unclassified students will be awarded registration appointment times on the basis of hours earned at Memphis State University only.

Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

Special Courses

Credit/No-Credit Courses — Certain students, with permission from the dean of their college, may elect to take some courses on a credit-no-credit basis. Details are found in the undergraduate *Bulletin*.

Procedures for registering are as follows: (1) Obtain permit form from academic adviser, complete information on the form, and secure adviser's signature; (2) Get permission of the dean of their college; (3) Go to the office of the chairman of the department in which the course is taught and secure his approval; (4) Obtain "Class Card Request" form; (5) Take completed permit form and "Class Card Request" to the Registration Center at the appointed registration time.

Audit Courses — The student must: (1) Obtain academic advisor's approval; (2) Go to the department in which course is taught and pick up "Class Card Request" form; (3) Take the "Class Card Request" to the Registration Center at the appointed registration time. Fees for audit courses are the same as for credit courses. Further details on audit courses are found in the undergraduate *Bulletin*.

Late Registration

Students registering during the day at the Late Registration Center must go to departments to obtain class cards. Cards are at the Center during evening late registration hours.

ID CARD

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, UNCLASSIFIED STUDENTS, ETC.

The University issues to each student an identification card which bears his photograph, social security number, and certification that he is enrolled as a student in the University. The card is required for registration, the borrowing of library books, and other purposes. The card remains the property of the University and will be surrendered upon the request of a University official.

A current student who has lost his or her card may obtain a replacement from the Dean of Students Office, Room 204 Scates Hall. A student will be charged \$10.00 to replace a card that has been damaged, stolen, or lost. A charge of \$2.00 will be made to make any change in data on a card. Students unable to obtain an ID card at an off-campus or special registration must go to the Records Office to have one made.

Part-time students who are enrolled for at least six semester hours of credit courses will be given full-time ID card validation. ID card validation of full-time is for student activity purposes and does not necessarily constitute a full-time academic load.

For information concerning the number of hours required for a full-time academic load, consult the Memphis State University Bulletin.

A credit hour load equal to one-half of that for the minimum full-time credit hour load qualifies as half-time academic load.

(4) PAYING FEES

Students should not enter the Registration Center unless they are prepared to pay fees. Registration is not completed until fees are paid. Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship" or "Authorized Billing" stations in the Fee Payment Center. Students will not have their names placed on the class rolls until after all fees are paid.

Students may not register until all outstanding financial obligations have been cleared.

Returned Checks

It is expected that a check given the University, for any reason, will clear the bank on which it is drawn. A \$10.00 service charge will be assessed for each returned check whether given in payment of any fee or cashed by the University for the convenience of the student. Returned checks, used as payment of registration fees, will result in deletion of the student from the class roll. Check cashing privileges will be revoked for any student who has had checks returned by his bank more than once within a twelve-month period.

FEES AND DEPOSITS

Application Fee

Each student submitting an application for admission to the University must pay, at the time he submits his first application, a one-time non-refundable fee of \$5.00.

Maintenance Fee

All students, whether resident or non-resident, pay a maintenance fee. Maintenance fees are assessed on course level. Students paying the fee for six or more hours are entitled to admission to home athletic events and certain health services, concerts, plays, social and other student-sponsored activities, and a subscription to the student newspaper, *The Helmsman*.

Summary of Course Fees

	In State Per Hour
Undergraduate	\$35
Graduate	48
Law (degree)	48
Law (non-degree)	62
	Out-of-State* Per Hour
Undergraduate	\$111
Graduate	124
Law (degree)	124
Law (non-degree)	138

*Out-of-state student fees include a maintenance fee which is charged each student plus an additional \$76.00 per hour.

Fees for auditing courses are assessed on the same basis as fees for credit courses. Courses offered between terms, for concentrated periods during a term, or at specific locations, may be subject to fees on a per-hour basis only.

Activity Fee

There is no activity fee during the summer terms.

Tuition

Students classified as out-of-state are charged an additional \$76.00 per semester hour.

The Office of Admissions and Records is charged with the responsibility of assigning a residency classification to each student using regulations provided by the Board of Regents. The student may appeal the decision to the Committee on Residency. Residency regulations of the Board of Regents and information on appeals procedures are available in the Office of Admissions and Records.

RESIDENCY CLASSIFICATION MAY BE CHANGED ONLY
BY THE RESIDENCY ADVISER, OFFICE OF ADMISSIONS
AND RECORDS.

University College Fees

In addition to their \$5.00 application fee, students who apply to the University College must pay a screening fee of \$15.00, which is non-refundable. If accepted into the University College, the student must pay a non-refundable contract-advising fee of \$25.00.

Students who apply for credit for experiential learning will pay \$15.00 per credit hour granted after evaluation of their learning and assignment of credit. For those students who are enrolled under a group contract, no more than a maximum fee of \$90.00 will be assessed for credits assigned under the terms of the group contract.

Courses in Applied Music

The fee of applied music is \$30.00 per semester for each one-half hour lesson.

Music Locker Deposit

Music students are required to have a locker for storage of University-owned musical instruments or equipment. Personal instruments may also be stored in lockers. A deposit of \$3.00 for one semester or \$4.00 for two semesters is required on each locker issued. This deposit, less a service charge of \$1.50 per semester, will be refunded upon return of the lock. Students will be expected to pay for any damages.

Automobile Registration

Each person who expects to operate and park any motor vehicle on the campus must pay \$5.00 for an official permit, valid from September through August, and register the vehicle in the Security Office,

Room 151, Administration Building. A reduced fee of \$4.00 is charged for vehicle registrations after January 1, and \$2.00 after May 1. Proof of ownership must be presented when registering the vehicle. Residence hall occupants should ask for a special resident decal when registering their automobiles.

ROTC Deposit

A uniform deposit of \$10.00 is required of each student who enrolls in the Army and Air Force ROTC program. The uniform deposit, less charges for uniform loss or damage, will be refunded at the end of the academic year or at the beginning of a semester in which the student is not enrolled in the ROTC program.

Laboratory Deposits

Certain courses in chemistry require breakage deposits from \$10.00 to \$20.00 per semester, depending upon the course. Any unused portion of these deposits will be refunded.

Physical Education Locker and Towel Fee

Students enrolled in physical education courses must pay a fee of \$4.00 for the locker and towel issued them. Students must provide their own lock.

Late Registration

Students who do not complete registration (including the payment of fees) during the official registration period will be charged \$10.00 for any late registration following the official registration period.

Adding and Dropping Courses

A fee of \$5.00 will be charged for each change-of-course form processed, regardless of the number of course or section changes included on the form.

Transcripts

There is no fee for transcripts. However, the student will be charged \$1.00 for each official transcript over the maximum of five (5) per request. Transcripts are issued only at the request of the student in person or by letter. No transcript will be provided for a student who has any unfulfilled obligation to the University.

Diploma Fee

Each candidate for a degree from Memphis State University pays a \$25.00 fee to cover cost of the diploma, rental of cap and gown, and incidentals connected with the commencement exercises. This fee must be paid thirty days before graduation.

The listing of these fees in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect at the time he or she registers. Fees are subject to change without notice. Persons 60 years of age and totally disabled persons should refer to the sections of this publication covering their registrations.

STUDENT FEE REFUND PROCEDURES

Maintenance Fees, Out-of-State Tuition, Music Fees

The following refund percentages apply to students who withdraw from the University or who drop to an hourly load below full-time.

1. 100% Refund: A full (100%) refund of fees will be made for courses cancelled by the University and for second Summer classes dropped on or before July 11, 1983.
2. 75% Refund: The University provides a 75% refund of enrollment fees beginning at the moment of registration and extending for a period of time as noted in the calendar for each term.
3. 25% Refund: A 25% refund of enrollment fees is provided after the expiration of the 75% refund and concludes as noted in the calendar for each term.
4. 100% refund in case of death.

The University refund policy is based entirely upon the official date of the withdrawal or change of course which would result in a refund. Refunds beyond the specified date or percentage cannot be made for reasons such as employment conflicts, health or medical problems, moving out of town, or other reasons which are beyond the University's control or responsibility.

Note on the term calendar in the *Schedule of Classes* that the refund period ends **earlier** than the final deadline for dropping a course or withdrawal.

Refunds will be processed beginning approximately two and one-half weeks after classes begin.

Appeal Procedures for Fees and Refunds

A student may appeal the assessment, application, calculation or interpretation of any University fee, charge, deposit, or refund, or any University action connected with fees and charges. Questions should generally be discussed with personnel in the Bursar's Office. If a student is not satisfied with the resolution made by the Bursar's Office, a written appeal, on forms available in the Bursar's Office, can be made to the Director of Finance; his determination may be appealed to the Vice President of Business and Finance; and his determination may be appealed to the President of the University. Traffic fines are subject to a separate appeal procedure.

Credit by Examination or Placement Examination

The fee for taking an examination for credit is \$15.00 minimum and an additional \$5.00 for each credit hour over three; this fee must be paid prior to the examination. The same fee must be paid when an application for credit is made under the Credit by Placement Examination policy.

CHANGING ENROLLMENT STATUS

Change of Course

After a student's registration is complete, he may change his class schedule by adding and/or dropping courses. **APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISER.** Time limits for add/drop are outlined in the summer calendar. A fee will be charged for each change-of-course transaction before it is processed. *There is no charge for a change made as a result of the University cancelling a course.*

Permission to add or drop a course after the deadlines shown in the calendar must be approved by the appropriate college dean.

Students enrolled in one course who wish to drop must withdraw from the University.

Schedule conflicts — Each student is responsible for preventing conflicts in the scheduling of his classes. *Students should check each class card which they are issued to insure that the course and section numbers, time and credit agree with what they requested.* Students will be assessed a "change-of-course" fee if it is necessary to make changes because of a scheduling conflict or because of having the wrong class card. Students should be careful to check the schedule for course offerings that might have been changed. Up-to-date information may be obtained during registration.

The University does not guarantee that the instructor listed in the *Schedule of Classes* will be the one to teach the course, and no fees will be waived accordingly.

University policy prohibits the waiving of the change fee when a course section has been closed and later reopened. *The University reserves the right to cancel courses or sections or to combine sections.*

ADD/DROP FEES CANNOT BE WAIVED TO ACCOMMODATE CHANGES IN STUDENTS' OUTSIDE WORK SCHEDULES OR FOR REASONS OF CHANGES OF HEALTH CONDITIONS.

STUDENTS MAY ADD, DROP OR WITHDRAW FROM SECOND TERM COURSES ON THE CHANGE OF COURSE DAY, JULY 11, WITHOUT HAVING TO PAY THE ADD/DROP FEE. THE ADD/DROP FEE IS APPLICABLE AT ALL OTHER TIMES. THERE IS NO FEE FOR WITHDRAWAL FROM THE UNIVERSITY.

Withdrawal Procedures

Students may withdraw from the University by contacting the appropriate University official. ID's must be turned in to be invalidated.

- (1) Undergraduate Students—the Center for Student Development, Room 120, Scates Hall
- (2) Evening/Saturday Students—the Dean, Evening Academic Services, Room 167, Administration Building
- (3) Graduate Students—the Dean of Graduate Studies, Room 315, Administration Building

Time limits for withdrawals are stated in the calendar.

Change of College or Major

Undergraduate students in the Colleges of Arts and Sciences, Business Administration, Communication and Fine Arts, Education, Engineering, and the University College may change their college or major by completing an application at the designated office of the college for the new major. These offices are as follows:

Arts & Sciences

Dean's Office — MI 219

Business Administration

College Adviser — BB 357

Communication & Fine Arts

Dean's Office — CFA 234

Education

College Adviser — ED 211

Engineering

College Adviser — EN 259

University College

Dean's Office — JN G-1

Graduate students may change their major by making application in the Office of the Dean of Graduate Studies, Administration Building, Room 315.

Students may change adviser by making application to the college in which they are currently enrolled.

Change of Name, Address, or Social Security Number

It is imperative that the student keep his/her name and address current on University records. Opportunity for changing addresses is provided on the "Student Information Form" in the registration packet. In order to change social security number or name, the student must come to Room 119, Records Office, Administration Building. Students who move should leave a forwarding address with the post office so that all University mail will reach them at their new address.

IMPORTANT: All changes should be made early in the term to insure their processing before the next semester.

GRADE REPORTS

A grade report showing the grade received, credit hours earned, and quality points earned, is mailed to the permanent address of each student at the end of the semester. The grade report will show cumulative hours attempted, hours earned, and grade point average.

Withholding of Grade Reports

The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. Previous semester grades which were withheld may be obtained (with the proper release card and identification) in the Packet Center or Late Registration Center, when these are open, and in the Records Office thereafter.

THE RECORDS OFFICE WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY TELEPHONE.

PRIVACY RIGHTS OF PARENTS & STUDENTS NOTICE TO STUDENTS

The Family Educational Rights and Privacy Act of 1974, with which the University intends to comply fully, is designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Local policy explains in detail the procedures to be used by the institution for compliance with the provisions of the Act. Copies of the policy may be found in the following offices: Associate Dean of

Admissions and Records (Records); Dean of Admissions and Records; University Counsel. The offices mentioned also maintain a Directory of Records which lists all education records maintained on students by this institution.

Questions concerning the Family Educational Rights and Privacy Act may be referred to the office of the Associate Dean of Admissions and Records (Records).

DIRECTORY INFORMATION

"Directory Information" is defined as: The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous educational agency of institution attended by the student, the student's full or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office, Room 115, Administration Building, a written request that directory information not be released. This notification is effective only for the semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.

Six "Cake" Courses in Aerodynamics.

A.

E.

C.

B.

D.

F.

Aerodynamics is a piece of cake with the new flying discs from AMF/Voit. Because no matter how you like to fly, there's a disc for you.

A. FREESTYLE—Unique two piece construction. Smooth underside for optimum spinning. 27 cm:145 gr.

B. FREESTYLE—A little smaller, a little lighter Freestyle, for people who like them that way. 25 cm:135 gr.

C. MAXIMUM TIME ALOFT—The lightest in the line for added lift. Great for beach and wide-open spaces. Glows in the dark. 25 cm:115 gr.

D. DISTANCE—For long, smooth, controlled flights in not-so-wide-open spaces. Glows in the dark. 24 cm:125 gr.

E. K-9—Small enough for Rover to catch; tough enough to survive his teeth.

F. ULTIMATE—Weighted rim for smooth, accurate flights. Textured grip ring for better throwing. Glows in the dark. 28 cm:170 gr.

THE NEW AE-1 PROGRAM

Nobody has been able to make fine photography this simple. Until now.

There has never been a high quality 35mm SLR camera as simple to use as the Canon AE-1 PROGRAM. That's why people who don't have time for complicated cameras, like Washington Redskins' quarterback Joe Theismann, carry it with them wherever they go. And you should, too.

Indoors or out, day or night—in any light—the AE-1 PROGRAM is designed to give you perfect pictures automatically. You just focus and shoot. Really. When set on "PROGRAM" the advanced electronics inside provide total automation, so you can concentrate on your subject.

For action photography, there's also shutter-priority automation, which lets you choose a speed fast enough to "freeze" moving subjects while the

camera's electronic brain automatically adjusts the lens opening for the lighting conditions.

Flash photography is totally automatic as well, and with the new Canon Speedlite 188A with built-in exposure confirmation, you can tell you've gotten a perfect flash picture before removing your

eye from the viewfinder!

There are new and exciting accessories that add even more versatility. The Power Winder A2 provides single-frame and continuous motorized shooting at up to two frames-per-second. Or, for really fast action, you can add the

Motor Drive MA for up

to 4 fps. rapid sequence shooting.

There are eight interchangeable focusing screens and nearly fifty Canon FD lenses that fit the AE-1 PROGRAM. So you can shoot a wide-angle panorama, do candid portraits or use a Canon zoom lens to really reach out and bring your subjects up close. Best of all, when you add any of these exciting accessories, shooting is still automatic. And just as simple.

Ask your Canon dealer to show you the camera that makes fine photography simple. The new Canon AE-1 PROGRAM.

It's one more reason we're the world's leader in 35mm photography.

SEMESTER IN SPAIN

BEGINNER OR ADVANCED LIVE WITH A SPANISH FAMILY

For about the same cost as staying right here in United States, and studying in the conventional way, you can attend college in Spain. By studying Spanish only—four days a week, fourteen weeks—in Spain, you can earn sixteen semester hours of college Spanish credit. The cost is about the same as one semester in a U.S. college.

Fully accredited—standardized tests, over a four year period have shown that our sixteen semester hours in elementary and intermediate Spanish, usually taught by American colleges and universities over a two year time span, teach more Spanish. These tests were administered and corrected by the College Entrance Examination Board of Princeton, NJ. Our group averages were always considerably above national norms.

We also have a good selection of advanced courses.

Technics cassette decks with dbx.[®] They don't just reduce tape noise. They eliminate it.

There is a line of Technics cassette decks so technologically advanced they are capable of reproducing music with virtually no audible tape noise. None.

They not only feature Dolby* noise reduction, but also the dbx noise elimination system. With dbx, a Technics cassette deck compresses the signal so the dynamic range is halved. When a tape is played back, the process is reversed. The original dynamic range is then restored and noise is pushed below audibility. Loud passages can be recorded without distortion, and soft ones without tape noise. There is even dbx disc decoding available for playing dbx encoded records.

The Technics RS-M255X goes even further.

Wide range (-40 to +18db), three-color FL meters handle the dynamic range dbx gives you. An electronic tape counter doubles as a remaining time indicator to show how much time is left on your cassette. Bias and EQ levels are automatically selected for any tape formulation. Microprocessor feather-touch controls give you fast, easy mode switching. And Technics RS-M255X gives you the stability and accuracy of a two-motor drive system.

Audition all of the sophisticated Technics cassette decks with dbx. Including the very affordable RS-M228X.

Why settle for tape noise reduction when you can have tape noise elimination? From Technics.

MAKE \$12,200 FOR COLLEGE WHILE YOU'RE GOING TO COLLEGE.

Want a part-time job that doesn't hurt your grades? Or campus life? Give your local Army Reserve unit a weekend a month and a couple of summers during college, and they'll give you over \$12,200 for college.

Up to \$4,000 in college aid is yours just for joining most units. Another \$6,000 for four years of monthly weekends and two-week summer stints. Plus over \$2,200 that you'll earn during two summer training periods. All while you're getting the most out of college. And doing the most you can part-time for your country.

You don't have to wait for college to join the Army Reserve. If you're 17 or older and a junior or senior in high school, join us now! There's no better part-time job in town.

Interested? Call your local Army Reserve recruiter. For the number, call toll free 800-421-4422. In California, 800-252-0011. In Alaska or Hawaii, 800-423-2244.

The box grows up.

It's not just a box. It's a mature, sophisticated stereo system—the Panasonic Platinum Plus 3-piece portable stereo system. With separate speakers, an AM/FM/FM stereo receiver and stereo cassette deck.

Outdoors, the Platinum Plus stereo system is totally portable. Its 3 pieces join together as one. To all work in perfect harmony. Indoors, it transforms into a home stereo without losing a beat.

This Platinum Plus RX-C100 (shown) has a chorus of features you'd expect to find on component systems. Like independent 2-way speakers with 6½" woofers and 1½" tweeters. A 5-band graphic equalizer. It gives you a separate tone control for every two

musical octaves. So you can really fine-tune the bass, treble, and midrange. The cassette deck has Dolby* noise reduction, and sets recording levels automatically or manually. So every tape comes out sounding astoundingly crisp and clean. But there are a lot more pluses to this Platinum Plus. It has a Tape Program Sensor that makes it easy to skip a song you don't like and find one you do. It also has precision fluorescent LED meters, linear scale tuning, and more. And for people who want a lighter and more compact

Platinum Plus system, there's the RX-C60.

So get the box with all the pluses. Panasonic Platinum Plus. *Dolby is a trademark of Dolby Laboratories.

VGM Career Books

BUSINESS

To Help
You Find
a Job

For the business major, choosing the right career means checking out many attractive options. To help you focus on the best career for you, our editors have selected career areas especially promising for business majors. Each book tells you what you need to know about jobs, education, salaries, how and where to get started, and your potential in the field.

COMMUNICATION

Selecting the right career can be confusing and difficult, especially when you don't have a technical or business degree. To help you get on target, our editors have selected these careers for you. Each book is authored by a pro who gives you the inside story on jobs, education, salaries, how and where to get started.

☐☐☐☐☐☐☐☐☐

**IT DOESN'T TEAR UP THE NATION.
IT TEARS UP A STATE.**

AND WHO'S THERE TO HELP PUT IT ALL TOGETHER?

The Army National Guard of Kansas. Or Mississippi. Or wherever that emergency may be.

You see, the Guard is the military branch that's first to come to a state's rescue.

The Army Guard is trained as a partner of the Army in case of national defense. Then it puts that training to work to protect your state and community.

Won't you join us? Two days a month and two weeks annual training (after your initial training) lets you earn extra income and learn new skills while you protect everything that's close to you.

For more information, call your local Army Guard recruiter or call toll-free 800-638-7600.* And see if we can put it all together for you.

*In Hawaii: 737-5255; Puerto Rico: 723-4550;
Guam: 477-9957; Virgin Islands (St. Croix):
773-6438; New Jersey: 800-452-5794. In
Alaska consult your local phone directory.

**The Guard is
America at its best.**

GO FIRST CLASS TO CLASS IN LEE.

Lee fits your life style. Like your car or your college.

The classic 5-pocket jean fits the scene on or off campus.

For class. For fun. For quality you can depend on. Fit yourself with the best.

THE BRAND THAT FITS.

Blue Jeans that Stay Blue

Lee introduces
new DRESS
BLUES™— the
denim jeans
that don't fade
away. Made from
100% cotton denim,
DRESS BLUES™ retain
their deeper indigo

When Our Trees Go Down In Flames, Our Dollars Go Up In Smoke.

Southern forests are more than homes for our wildlife and playgrounds for our people.

Much more.

They play a big role in our economy. As demands for wood and paper products increase, the role becomes even bigger.

Today the South provides nearly one-third of the nation's wood. Within four decades, we'll be expected to furnish more than half. This, of course, represents thousands of jobs and millions of dollars to our people and communities.

When our forests burn—by accident or arson—jobs and money are lost. And prices go up on the thousands of items made from wood and paper.

Please do all you can to help stop Southern forest fires. Be careful in the woods and report anything suspicious to your sheriff or local forestry agent.

Now, more than ever, we can't afford lost jobs, lost income or higher prices.

MORE THUNDER FROM THE CHEVROLET THAT TOOK THE PERFORMANCE WORLD BY STORM.

INTRODUCING THE NEW 5-SPEED, 5-LITER Z28.

Camaro Z28 first became Motor Trend's 1982 "Car of the Year." Then, the Indy 500 Pace Car.

And now, the competition is in for some more rough weather. With the new 5-speed, 5-liter Camaro Z28.

More power and more gears than last year. To deliver lightning-like response. Plus, all of the advanced engineering features that helped make Camaro the hottest-selling 2 + 2 sport coupe on the road today.* Including road-hugging ground effects technology and a shape so sleek, only its shadow can match it.

The new 5-speed, 5-liter Camaro Z28.

It's going to be nearly impossible for the competition to steal any of its thunder.

Some Chevrolets are equipped with engines produced by other GM divisions, subsidiaries, or affiliated companies worldwide. See your dealer for details.

When you graduate to the Air Guard, your future's looking up.

And so is our country's. Because the professional men and women of the Air National Guard do more than provide the major portion of our national air defense. They provide aid in state and community emergencies as well.

Great benefits. Now and for your future.

By joining the Air Guard now, you'll be doing more than helping protect your community, state and home town. You'll be helping yourself.

Because the Air Guard is a part-time military job, you'll have plenty of time to pursue a civilian career. Or further your education which we may help you pay for.

What's more, we'll provide valuable technical training. The kind of training you could probably use to get a good civilian job or to advance in your chosen career.

Of course, you'll also receive low-cost life insurance, a retirement plan, base exchange privileges, and more. All for your part-time work in the Air Guard.

If you're ready to move ahead with your future, learn valuable job skills and earn extra income, call your Air Guard recruiter, toll-free, today.

800/638-0936. (In Maryland, call 301/981-6716. Outside the continental U.S., consult your local directory under state government.)

You'll find out why we say, "In the Air Guard, the sky isn't the limit."

We Guard America's Skies.

BEWARE

of
**all-in-one
tape care
products.**

Sometimes they try to do too much!

The Discwasher tape care philosophy ... two specific problems require two separate products.

The Discwasher® Perfect Path™ Cassette Head Cleaner is designed to thoroughly clean tape heads, restoring true sounds.

The Discwasher® C.P.R.™ Capstan-Pinch Roller Cleaner is engineered to clean the critical drive system of your cassette deck, preventing tapes from being "eaten".

Discwasher, the world leader in record care technology, now offers unparalleled tape care.

Scala...for those who do not eat just for the sake of eating, for whom a meal is more—a moment of contemplation in the middle of daily stress.

As styled by world famous designer Léonard, Paris, delicate floral decorations flow over and under the rim of the plate. (Pictured top:

"Alcazar" Pictured bottom right: "Estoril"

"Seta," (As shown on the bottom left) another exciting element of Scala, provides a subdued contrast to the glazed surface with its bisque relief.

Inexperienced?

Zales Bridal Sets
from \$350 to \$1,350.

When it comes to buying diamond jewelry, most people are. After all, it's not the

\$700

kind of thing you do every day. And if this is your very first time, it could make you a little nervous.

Well, relax. You don't have to be experienced in gemology to make a good choice. Because at Zales, we have nothing but good choices.

Unlike most other jewelers, we buy our diamonds in the rough and then control every step in the creation of each ring.

\$950

\$899

That means we're sure of the quality. Sure enough to back it with our promise of a full refund for 90 days if you're not completely satisfied. Sets your mind at ease, now doesn't it.

Of course, if inexperience still makes you feel edgy, we'll show you the way around every facet of diamond technology. Even though all you really need to know is the way to your nearest Zales.

IS ALL YOU NEED TO KNOW.™

T.G.I.F.

You could use a break. You spent so many hours at the library this week you were beginning to get your phone calls there. Now you're free, and ready to go. You've got your nifty Pontiac 1000 full of fuel. And you're about to fill this fun little Hatchback with your favorite friends and refreshments. The beach, the mountains—it really doesn't matter. All you want to do this weekend is hit the road... instead of the books.
